GUEST SPEAKER:

 **Juleen Erives**

ONTARIO INTERNATIONAL AIRPORT
Community Engagement Specialist

It's our honor to introduce our April Networking Breakfast Speaker Juleen Erives. She will be giving an update on Ontario International Airport (ONT), highlighting recent developments, current amenities, and future plans. The presentation will provide insight into ONT's growth, community impact, and what's ahead for the airport.

Juleen Erives is a Community Engagement Specialist for Ontario International Airport (ONT), where she is part of the Marketing and Communications Division. In her role, she builds and maintains relationships within local business communities, supports key partners, and shares airport updates through presentations and outreach initiatives. She also leads airfield tours and plays an integral role in planning and executing airport events. Juleen serves as a primary point of contact for ONT across portions of San Bernardino and Riverside counties.

Juleen brings a strong background in marketing, having previously worked as a Promotions Assistant for local radio stations. In this role, she connected with listeners, executed street-level activations, managed contests, and developed partnerships with local businesses throughout the San Bernardino and Temecula Valley regions.
